## Prayer for Today

Good God and Celestial Father, we ask for help to share our lives with others, with those who are not the same as us. Free us from pride and indifference. Help us especially to give an important part of our lives to those who are abandoned by society, by their families and by the economic system, and who are adrift and without hope. Help us, Lord, to be aware of them and to offer more of ourselves. **Amen.**

I shall be working on the flower rota soon and find that we shall need a lot of gaps filling for 2018. Please let me or one of the flower group know if you feel you can help by providing flowers for the communion table vases on one Sunday during the year. If you are unable to arrange them yourself for any reason, one of us could do it for you. Thanks to all who have helped during 2017 . *Judith Grimditch.*

**BOSTON SPA ARTS FESTIVAL**

As in previous years we have been asked to run the café for the Arts Festival on **SATURDAY 14<sup>th</sup> OCTOBER** at the Village Hall, from **10 a.m. until 4 p.m..**
