Prior to the Sunday morning service, the duty Stewards will bring the Bible to the lectern and light the candle on the Lord's Table. Those present will then be welcomed, notices given out, and the preacher for the service will be introduced and welcomed. This will be followed by a period of quiet contemplation during which quiet music, or a suitable video, will be played. During this time we respectfully ask that silence is kept as we, the congregation, prayerfully prepare for worship.

LIGHTS IN THE CHURCH BUILDING

As you are all well aware the Church Finances are in a difficult position, so it is even more important that we try to save unnecessary wastage. It has been noticed that lights are being left on in various places: the Storeroom, the Wesley Room and the outside lights are frequently left on. I know it is not easy especially as some lights are automatic but I would like to encourage everyone to think when they leave to ensure that all the lights have been switched off.

A quick reminder is **SWITCH ON a light then SWITCH OFF on leaving.** If you notice lights are still on please let me know so I can follow this up.

Many thanks,
Anne Hovell
